FOR IMMEDIATE RELEASE

FireSmart Canada is pleased to welcome Wally Born as an advisor, reporting directly to the executive director and indirectly to the president of the board.

Many of you have crossed paths with Wally in his role as Executive Director at Alberta Agriculture and Forestry. Wally brings to FireSmart many years of experience working at the national level on projects such as the Canadian Wildland Fire Strategy.

Wally will lead the standing committee of provincial and territorial FireSmart liaisons and assist in future organizational transition initiatives.

Here is Wally's contact information for your files:
